House: _____

Read through each item and discuss your response with your roommate/s. If responses are different, discuss the differences and reach an agreement that is acceptable to both roommates. The consensus decision is recorded on this form.

Guests:

The guest/visitation policy is gender-neutral. Guests are allowed in student rooms past 1:00am on weekdays (Sunday-Thursday). Guests are allowed in student rooms at any time on Friday and Saturday. Guests are welcome at any time in designated common spaces such as house dens, kitchenettes, computer labs and study areas.

Roommates can agree to change any aspect of the guest/visitation policy as stated above by completing a Roommate Agreement. In all cases, overnight guests may stay with the approval of the roommate(s) for a maximum of three (3) consecutive nights, and overnight guests are not allowed during semester break.

The Roommate Agreement must be completed, signed and filed with the CA before it goes into effect. The Roommate Agreement can be re-negotiated as necessary. All guests must be respectful of roommate's rights. Violation of the Roommate Agreement will be handled through the judicial system.
