2008-2009 Policy Handbook for RESIDENCE HALLS Includes Summer Session 2009

Significant changes from the 2007-2008 Policy Handbook appear in **yellow**.

Please note: Failure to comply with any policy may result in administrative charges and disciplinary actions.

I. POLICIES

A. Alcoholic Beverages and Controlled Substances

All state, federal, and local laws and university policies pertaining to alcohol and other drugs, including controlled substances, apply to residents and guests within all on-campus residence halls, Frederiksen Court and SUV apartment communities.

Residents and their guests are responsible for providing verification of age upon request by a staff member. Any individual who refuses to provide age verification will be assumed to be under the age of 21.

Maple and Eaton Halls, and Lincoln, Palmer, Pennell, Lowe, and Stange Houses in Friley Hall are substance-free areas. Alcohol is prohibited to all students in these areas, regardless of age. **Any student found responsible for violating the alcohol policy may be removed from the substance-free living environment depending upon the severity of the violation.** If there is no space to relocate the student, the hall director shall have the discretion to determine an appropriate sanction.

1. Residents 21 years of age and older

- a. Only residents and their guests who are 21 years of age or older may possess and consume alcoholic beverages in the privacy of their on-campus rooms/apartments. Alcoholic beverages must be in their original, unopened containers when transported within the residence halls. Containers of alcohol larger than one gallon (including, but not limited to kegs) are not permitted. Alcohol may be neither consumed nor possessed in opened containers anywhere outside a student room/apartment, including hallways, courtyards, public areas, Community Centers, and other university grounds. In University Village, the fenced area in front of an apartment is considered to be part of the apartment.
- b. Residents who are 21 years of age, and have a roommate who is not yet 21 years of age, may possess and consume alcohol in the privacy of their room. They may not allow the roommate to possess or consume alcohol. Violators will receive sanctions through the judicial system.
- c. Residents are responsible for their guests. Guests must comply with of Residence rules concerning possession, transportation and consumption of alcohol.

2. Residents under 21 years of age

- a. Residents who are not 21 years of age or older may not possess, transport, or consume alcoholic beverages. Residents found responsible for possession and/or consumption of alcoholic beverages, including behavior that is a result of alcohol consumption, will receive sanctions through the judicial system and will be referred to the Student Counseling Center or Substance Abuse Violence Prevention Office for alcohol assessment and/or screening. The student will be charged a fee for the assessment and/or screening.
- b. Residents who are not yet 21 years of age, and who have a roommate who is 21 years of age or older, may allow the roommate to possess and consume alcohol in their room. The roommate is allowed to have guests (see 1.c above).
- c. Residents who are not 21 years of age or older may not have a guest (regardless of his/her age) who consumes alcoholic beverages in their room/apartment.
- d. Residents who are not 21 or older may not possess alcoholic beverage containers in their rooms/apartments.

B. Appeals Process for Charges

Residents may contest charges they have been assessed (not including contract cancellation penalties or room rates) according to the following process. The charge being contested will remain on the resident's account during the appeal process. Only in the event of a successful appeal will the penalty be removed or reduced. Any late fees or penalties accrued due to late or non-payment are the responsibility of the resident.

1. Appeals must be submitted within 30 days of notification of the charge.
2. All appeals must be submitted in writing, e-mail preferred, to housing@iastate.edu, and should contain the resident's full name, ISU ID number, room address, e-mail address and rationale as to why the resident is not responsible for the charge(s). Any supporting materials must also be submitted at this time.

C. Bathrooms/Restrooms

Common bathrooms/restrooms are not gender-neutral. You and your guests are not permitted to enter a bathroom/restroom labeled for use by persons not of your gender.

D. Bicycles

Bicycle racks are provided for resident use in close proximity to residence halls and on-campus apartments. The Department of Residence may remove any bicycles left in these racks following the end of the spring semester each year.

E. Building Access and Security System

Interfering with the security system is prohibited. Violations include but are not limited to tampering with locks, disabling any lock or door; propping open doors that are to be locked and/or closed; exiting through doors marked "emergency exit only"; jamming a door to prevent it from opening or closing, tying doors shut; taping open locks or altering, loaning, or duplicating university keys; and tampering with security cameras.

Access to any closed residence hall during a scheduled vacation period, including summer, is allowed only through special arrangement with on-call staff. Access will result in a minimum \$20 charge for each instance.

F. Check-In, Check-Out, and Room/Apartment Change Procedures

Occupying more than one room/apartment, except while in the process of moving is a violation of the check in/out process.

1. Check in

To properly check in you must:

- a. Go to your designated hall desk.
- b. Obtain room keys, building access card (if needed) and a Residence Hall Room Inventory and Condition Report.
- c. Complete the Residence Hall Room Inventory and Condition Report and return it to your hall desk within 48 hours. You may be held responsible for all damages not reported within 48 hours of check in.

Failure to check in properly at any time will result in \$50 administrative charge.

You must check out of your room by 3 p.m. **Saturday, December 20, 2008.** If you do not complete the check-out process as specified, you will be billed the daily room rate through the date of check out plus a \$100 administrative charge. If you remain enrolled at ISU, penalties may apply. See Terms and Conditions Cancellation policy (Section V).
2. **Graduating:** If you are graduating at the end of fall semester, you must notify the DOR by signing the Housing Contract Cancellation Form by 5 p.m., November 1. You must out of your room by 6 p.m. **Saturday, December 20, 2008.**

Personal property left in the room/apartment will be removed from the premises. It will be kept for 30 days, after which it will be sent to Asset Recovery for sale/disposal. You will be charged for the actual cost of removal, storage and disposal of personal property, with a minimum charge of \$50. You will be charged for any damages and for cleaning necessary to return the room/apartment to the condition in which it was upon check in. This will be deducted from any refund to be paid to you.

All keys issued to you must be returned, or you will be charged for a lock change and for replacement keys.

Eaton Hall	\$101.00 Lock Change plus \$18.00 per key

3. Room Change

You may change rooms after the semester has begun by using AccessPlus. AccessPlus is open shortly after the start of each semester, except when there is interim (overflow) housing. AccessPlus allows you to move to any open room for which you are eligible. To complete a room change, select your new room via AccessPlus. If AccessPlus is not available, contact your hall desk for more information. Follow the steps for check-in and check-out procedures as stated in Sections F.1 and F.2, respectively.

In Martin Hall, any change from one bedroom to another within a suite must be initiated using AccessPlus. Follow instructions for check in (F.1) and check out (F.2) above. All residents must be issued the appropriate keys for their assigned room.

You will be allowed 72 hours to complete your room change (consisting of proper check in to new room and proper check out of old room). If you are unable to accomplish this in 72 hours, contact your hall director for an extension. Failure to complete a room change within 72 hours will result in release of the room reservation.

Failure to complete any of the steps outlined above will result in a minimum \$50 administrative charge.

G. Cleaning and Upkeep

1. Room

2. Common Areas

Residents are collectively responsible for the conditions of the common areas. A house or hall may be charged a fee for areas kept in poor physical condition and requiring non-routine service from maintenance and custodial staffs. This includes removal of personal trash, vomit, and debris in hallways, dens and bathrooms, and moving furniture back to its original location.

3. Trash

You are responsible for removing trash from your room. Trash should be disposed of in the trash chutes (where applicable) or in the dumpsters provided outside of the buildings. Disposal of items that are too large to fit into the dumpsters is the responsibility of the resident. Hot charcoals may not be placed in the trash.

H. Disposal of Sharp Objects

Due to the potential injury to employees handling trash, you must place objects such as razor blades, broken glass, and needles (hypodermic, sewing, etc.) in the sharps container provided in the bathroom or kitchen in your house. Do not place any of these items in trash.

I. Disruptive Behavior

Disruptive behavior in or around the residence halls/university apartments is not permitted. Disruptive behavior includes any of the following:

1. Conducting oneself in a manner so as to disturb or threaten others;
2. Threatening, intimidating, or endangering the health, safety, or welfare of yourself or a member of the university community;
3. Engaging in inappropriate behavior that necessitates an additional response from campus or city personnel.

J. Dues

In the residence halls, residents will be assessed \$42 in mandatory student government dues each year (\$10 to house, \$7 to hall, \$9 to Inter-Residence Hall Association (IRHA), and \$16 to the IRHA-sponsored USA Today Newspaper Readership Program). These dues contribute to programming, and upkeep of house and hall-owned equipment. All student government dues will be billed through the Accounts Receivable Office beginning in July.

At Frederiksen Court, residents will be assessed \$6 mandatory dues each year. These dues will be billed through the Accounts Receivable Office beginning in July. The dues, managed by the Frederiksen Court Community Council, support social activities and other community needs.

At Schilleter University Village, residents will be assessed \$10 mandatory dues each year. These dues will be billed through the Accounts Receivable Office beginning in July. The dues, managed by the Schilleter University Village Council, support social activities and other community needs.

K. Failure to Comply

You are expected to comply with the directives of university officials in the performance and scope of their duties. Failure to comply includes, but is not limited to: failure to show identification when requested to do so by an authorized university official, falsely identifying yourself or your guests, providing false information or obstructing an investigation. Failure to comply will result in disciplinary sanctions.

L. Fire Alarms and Equipment Abuse

Tampering with alarms or fire equipment is prohibited. Violation of this policy includes, but is not limited to: removing of batteries from smoke alarms, removing glass box hammers, removing a fire extinguisher from its prescribed location, discharging a fire extinguisher for any purpose other than putting out a fire, activating an alarm absent an emergency situation, tampering with smoke door or Knox boxes (small boxes attached to the exterior of the buildings). Violations of this policy may lead to immediate removal from the residence facilities.

You and your guests are required to evacuate the building when a fire alarm sounds, and may reenter the building only when fire department staff gives permission to do so.

Violations of this policy may lead to immediate removal from the residence facilities and cancellation of the housing contract. Students found responsible for the violation of the policy will be held responsible for repair or replacement costs.

M. Flammable Fluids and Toxic Chemicals

Because of the safety hazards they represent, the use or storage of flammable/toxic fluids, chemicals, gases and/or dry ice is prohibited. Smoke and fog machines are also prohibited.

N. Guest/Visitation

The guest/visitation policy is gender-neutral. You and your roommate(s) are the only ones permitted to live in your room. Guests are permitted from 7:00 a.m. to 1:00 a.m. Monday-Friday, and at any time on Saturday and Sunday. Accompanied guests are welcome at any time in designated common spaces such as house dens, kitchenettes, computer labs and study areas.

A guest must abide by all policies of Iowa State University, the Department of Residence, and the residence halls and houses. The guest and host are mutually responsible for the conduct of the guest. Residents will be held financially responsible for damages caused by their guests.

Roommates can agree to change any aspect of the guest/visitation policy as stated above by completing a Roommate Agreement. In all cases, overnight guests may stay with the approval of the roommate(s) for a maximum of three (3) consecutive nights. Overnight guests are not allowed during semester break. The Roommate Agreement must be completed, signed and filed with the CA before it goes into effect. The Roommate Agreement can be re-negotiated as necessary. All guests must be respectful of roommate's rights. Violation of the Roommate Contract may be handled through the judicial system.

Houses can agree on a more restrictive visitation policy by voting in the same manner as would be done for house policies. (see House Policies.)

O. House Names

Designs for house signs, elevators, murals, and T-shirts must be submitted to the hall director for approval. No use of the house name is permitted without prior approval of department staff.

P. House Policies

Each house has the responsibility to establish policies for study hours, visitation, and use of incense. Students and guests will be held responsible for following house policies as they are established in each house. Failure to adhere to house policies may result in disciplinary action.

1. Policy Guidelines

a. Policies established by individual houses must follow these guidelines:

- The policies will be written and voted on within the first 30 days of fall semester.
- The policies will be established by a secret ballot vote. Each policy must have the approval of an 80 percent majority of all residents assigned to the house at the time of each vote.
- A new vote on house policies will be taken at the request of any house member.
- Each policy must be approved and signed by the hall director.
- Copies of currently approved house policies must be posted on the house bulletin board at all times throughout the year.
- Copies must be filed with the community advisor (for posting), hall director and neighborhood legislative body.
- Any house not following the above guidelines will not have house policy privileges until the guidelines have been met.

b. Special interest housing (Learning Communities, theme houses) may have policies that are unique to the living option. In order for members of the house/hall to fully benefit from the experience of living in a special interest housing/hall, you and your guests must follow the house/hall policies. You must inform your guests of the policies.

2. Quiet/Study/Courtesy Hours Policy

a. Courtesy hours are in effect 24 hours per day to help create an environment in which students can successfully pursue their academic studies. Noise from stereos, TVs, musical instruments, and conversations should be kept to levels that will not interfere with other residents.

b. Quiet/study hours are designated times when noise should be kept to a minimum. These hours are maintained to help provide an environment in which students can succeed personally and academically. The minimum acceptable quiet/study hours are listed below:

- Sunday–Thursday 11 p.m.–8 a.m.
- Friday–Saturday 2 a.m.–9 a.m.

Houses may set additional quiet/study hours that are enforced by residents and staff.

c. Extended quiet/study hours will be in effect during Dead and Finals Weeks. A study break, not to exceed one hour, may occur between 9 p.m. and 10 p.m. daily during those weeks, except for the Saturday right before finals week in which the house may allot a 4 hour block of time ending before 10 p.m. for a study break. Each hall will determine, within these limits, when its study break will be. During the study break, all policies will be enforced; noise should not exceed levels deemed acceptable during courtesy hours. Each house will post its approved quiet/study hours policy.

You are responsible for helping to enforce quiet/study hours. If noise is problematic for you, ask the individual involved to be quieter. Students who are asked to make less noise are expected to do so. If the problem persists, contact your CA or the CA on duty. Anyone may document policy violations. For information on the documentation process, talk to your CA or hall director.

Check with your CA or hall desk for the location of music practice rooms in your residence neighborhood.

3. Use of Incense

The presence of offensive odors, as determined by affected hall residents, is prohibited. Stick and cone incense are allowed, but if anyone is bothered by it, it is considered an offensive odor. Those refusing to stop burning incense when it has been noted as an offensive odor will be referred to the hall director. Marijuana-scented incense is not allowed in the residence halls. Your house may set a house policy that does not allow incense by voting in the same manner as would be done for house policies.

4. Visitation (See Guest/Visitation Policy)

Q. Insurance

Iowa State University does not carry insurance on you or your property. You are encouraged to review any existing homeowner's insurance policies for coverage or to carry your own insurance. If you are found responsible for damages, you will be held liable, financially or otherwise, for all or any portion of the loss.

R. Items Left in Hallways, Dens, Stairwells or Elevators

The placement of personal items, including department-provided student room furnishings, is prohibited in the hallway, house den, stairwells, or elevators.

S. Keys and Building Access Cards

You are responsible for any keys/access cards issued to you. You may not give your keys/access cards to another individual to use. You may not have duplicate keys/access cards made.

If you damage your access card to the point that it is no longer functioning, you will be charged \$18.00 for a replacement card.

If you lose a key/access card, notify your CA or Hall Desk immediately for safety and security reasons. You will be issued a temporary replacement key/access card. You have seven days to return the replacement key/access card. If you fail to return them within the seven days, you will be billed for the replacement keys/access card and a lock change. See Section I.E for the cost of a lock change in your building.

If you request a lock change when the maintenance staff is not working there will be a minimum \$100 charge, in addition to the lock and key charges.

T. Liability for Personal Property or Injury

Although Iowa State University will make all reasonable efforts to protect student property, neither the university nor the Department of Residence is in any way liable for the loss or theft of, or damage to, any property belonging to you or for injuries sustained by you, your roommate(s), or your guests. The university is not responsible for damage or injury that may be sustained by you caused by breakage, leakage, or obstruction of pipes, and from other latent defects not known to the university.

U. Pets

You may have fish, in one aquarium with appropriate equipment, per contracted resident. The maximum capacity allowed is 30 gallons per room. All other organisms and pets, of any type, are prohibited for reasons of health and safety. Visiting pets are not allowed.

V. Room/Apartment Entry

The department respects your desire for privacy. This policy defines the conditions under which the department may exercise the reasonable, restrained contractual right of entry by authorized staff members without violating your fundamental privacy rights.

1. Rooms/Apartments may be entered under the following conditions:

- a. To provide service or conduct inspection for the purposes of cleaning, maintenance, pest treatment, etc.
- b. To conduct safety inspections or to ensure that proper closing procedures have been followed in buildings that close during break periods.
- c. To aid in the evacuation of a building during a fire alarm or drill.
- d. To manage an emergency in which imminent danger to life, safety, health, or property is reasonably feared. The department retains the authority to determine what constitutes an emergency.
- e. To maintain an environment that facilitates the scholarship of other residents, including, but not limited to: turning off an alarm, radio/stereo/CD player, television or any other unattended item that is causing a disturbance.
- f. To assess instances in which a resident may have permanently vacated or abandoned their space.

2. Room/Apartment Entry Procedures and General Information

- a. In the event of emergency, entry in to your room/apartment may be made without prior notification.
- b. For all other situations, you will be given at least 24 hours prior notification that staff will enter your room/apartment. The reason for entry will be listed in the notification.
 - Notification types include, but are not limited to: e-mails, newsletters, postings on room/apartment doors or bulletin boards.
 - If you submit a service request, your request is considered notification and entry may occur at any time following the request.
- c. Staff members will enter in teams of at least two.
- d. Discretion will be used by all staff conducting entry. Before entering using a key, staff will make reasonable efforts to locate the occupant(s). They will knock, announce themselves and provide sufficient opportunity for you to open the door. If no response is received, your room/apartment may still be entered.
- e. The contents of closed wardrobes, closets, desks or dresser drawers, trunks, luggage, etc., will not be inspected. If noticed during entry, the presence of any illegal materials (e.g., drugs) or items that pose an immediate danger to the health or safety of residents will be communicated to appropriate staff to arrange for removal. You will receive written notification of this action.
- f. You will receive summary notification regarding the entry of your room/apartment in the following situations:
 - Following any unannounced entry by department staff.
 - Following maintenance visits, a work order form will be left detailing who entered the room/apartment, the reason for entry, the work performed and the status of the job.

3. Authorized Staff

Authorized staff members or their agents who may enter your room/apartment include all department staff and Iowa State University Police. Non-employees will not be permitted to enter your room/apartment unless you are present and give your consent.

4. Search Warrants

A university official may not consent to the search of your room/apartment by the police or other government officials unless he or she has a legal search warrant. This policy is intended to serve as a basis for management operation in an area that requires a delicate balance between constitutional rights and group welfare. This policy will serve as a guide, but effective implementation depends upon the good judgment of all parties involved.

W. Room Personalization

1. Air Conditioners

Residents are not permitted to use or install their own window air conditioner units. Residents are permitted to use a freestanding, evaporation type, room cooler if the unit does not require ventilation to the outdoors and does not draw more than 3.5 amps.

2. Bunks/Lofts

In all residence halls, a bed is provided. It is recommended that you use only the bed provided by the university. Some rooms are provisioned with a loft bed. If you choose to provide your own bunk or lofted bed, the university assumes no liability and you are fully responsible for any injury or damages that may occur. You will be required to sign a waiver of liability agreement if you have a bunk bed or a loft bed, whether it is your own or provided by the university.

- a. **Bunks.** Some metal frame furniture cannot be bunked.
- b. **Lofts.** If your room is provisioned with a loft bed, you may not substitute your own loft.

If you choose to provide your own bunk or lofted bed, the structure must follow these minimum standards:

- Be 36 inches from the bed platform to the lowest part of the ceiling;
- Be 24 inches from any smoke detector or sprinkler head;
- Be freestanding;
- Not be attached to any wall, ceiling, or furniture;
- Have an installed ladder made of metal or wood construction (other furniture may not be used as a step stool);

- Have an installed side rail designed to prevent you from rolling out of the bed;
- Not be wider than the size of one student mattress;
- Be constructed of metal or wood. Fabric cannot be suspended from or around the loft;
- Not restrict exit from any portion of the room or be a safety hazard to persons walking around the room;
- Allow the door to open perpendicular to the door opening, and at least 22 inches must be allowed for exiting from any interior room arrangement.
- Be used solely for holding one student mattress.

3. Candles and Open Flames

For safety reasons, candles and other open flame devices are not permitted in the residence halls.

4. Ceilings in Wallace-Wilson

There is a small amount (5%) of asbestos encapsulated in the ceilings in Wallace-Wilson. This presents no danger AS LONG AS THE CEILING IS NOT DAMAGED.

- Nothing should come in contact with the ceiling. This includes posters, stars, lights, cords, tape, lofts, etc.
- All lofts must be freestanding. No part of a loft should come in contact with the ceiling.
- Department of Residence and Environmental Health and Safety staff members will periodically inspect all rooms for compliance and damage. Inspections will follow procedures detailed under Section W. Room/Apartment Entry.
- Damage to a ceiling requires repair by a contractor who specializes in asbestos repair. You will be assessed all costs for repair which are likely to exceed \$100.

5. Electrical Appliances and Cords

Refrigerators with the following specifications are allowed: maximum capacity of 4.5 cubic feet, 115 volt, 60 cycle AC, 230 watts, 2 amps (when running). Only one refrigerator per student is allowed.

Due to fire and sanitation hazards, space heaters, halogen torchiere lamps, and sun lamps may not be used in resident rooms/apartments. No lights, ceiling fans or other electrical appliances are to be hung on ceilings or interior walls.

Smoke or fog machines may not be used anywhere within the residence halls.

Surge protectors should be used in rooms. The use of extension cords as permanent wiring is not permitted. If student electrical use within the room causes electrical malfunctions (blowing fuses), you may be asked to rearrange or remove items.

6. Furnishings

Each resident is provided the following furniture: bed, desk, chair, clothing unit (typically a dresser and/or wardrobe), and waste basket. You may bring extra furnishings, such as a chair or couch. Empty and/or filled kegs are not allowed as room furniture. Waterbeds and hot tubs are not permitted, nor are traffic/street signs without proof of purchase. University-owned furniture may not be removed from dens/study spaces/lounges to be used in student rooms. Costs of missing or broken furniture will be charged at the replacement rate.

7. Material on Doors

The display of material on the exterior of room doors is subject to the conditions of the Inter-Residence Hall Association Door Policy. Copies of this policy may be obtained from the Inter-Residence Hall Association (IRHA) Website: <http://irha.us>.

8. Painting and Wall Papering

You may paint your room (except in new or recently renovated buildings) if it was not painted during the summer prior to the current academic year. If your room is in need of painting, the department will provide the paint free of charge. Only paint provided by the department may be used. Wall murals are not allowed in student rooms. Contact the Service Center (294-3322) for details. Copies of the house personalization policy for painting elevators and hallways may be obtained from your CA or hall director. You may do no wallpapering in rooms.

9. Satellite Dishes

Satellite dishes are not permitted.

10. Trees

Cut trees (e.g., Christmas trees) are not permitted.

11. Wall and Ceiling Hangings

You may put up wall hangings, using an adhesive such as Sticky Tack or poster putty as long as it does not damage the surface of the wall. To prevent damage to the room and its furnishings, nails, screws, and tacks are not to be used.

X. Room Use

You may not use your room/apartment, campus telephone number, or campus mailbox for any commercial reason unless you are a member of the Entrepreneurial Learning Community. You are not permitted to sublet or assign your room.

Y. Roommates

Respect is the foundation for interchange of ideas, for learning and for working toward common goals. Consequently, Iowa State University is committed to assuring that its programs are free from prohibited discrimination and harassment based upon race, ethnicity,

sex, pregnancy, color, religion, national origin, physical or mental disability, age (40 and over), marital status, sexual orientation (including gender identity), status as a U.S. veteran (disabled, Vietnam or other), or any other status protected by university policy or local, state, or federal law. Discrimination and harassment impede the realization of the university's mission of distinction in education, scholarship, and service, and diminish the whole community.

1. Accommodating a Roommate

You may be assigned a roommate at any time during the term of your contract. Your room must have a clear and equitable space for a new roommate at all times. You will be expected to respond positively to a new roommate. Failure to accommodate a roommate may result in cleaning charges, disciplinary action and the requirement of signing a Super-Single agreement, which will result in an adjustment or room rent.

2. New Roommate Notification

When a new resident has selected or is assigned to a partially-occupied room/apartment, the department will make best efforts to notify current residents of this new roommate in advance of their arrival.

3. Vacant Space

Residents with vacant space should expect to have new roommate(s) and should check your ISU e-mail account and Access Plus for new roommate information (if available). Residents may not use space they have not contracted for and must ensure that equitable common area space is available for all roommates.

Z. Selling and Soliciting

For your safety, door-to-door selling or soliciting is not permitted in the residence halls or apartment communities. Solicitation shall be defined as any commercial, profit-making, campaigning, or fund-raising activity. You may not use your room/apartment, campus telephone number, or campus mailbox for any commercial reason unless you are a member of the Entrepreneurial Learning Community. Student organizations wishing to solicit in the residence halls or apartment communities must be registered with and have the prior approval of the Student Activities Office (B6 Memorial Union) and the Residence Life Office (1203 Friley).

Due to the large amount of information disseminated by various groups to students living in the residence halls, guidelines have been established for the use of student and house mailboxes. Individuals or groups wishing to use these mailboxes must follow the procedures and guidelines outlined by the department. These guidelines are available at the hall desks and on the department's Web site.

Special interest activities, such as political or religious activities, or recruitment for organizations, which involve petitioning, canvassing, registration, campaigning, and/or other similar activities, shall be permitted only upon authorization from the Student Activities Office and the Residence Life Office and only in non-student room/apartment areas of the residence halls and apartment communities. When conducting such activities, individual(s) or group(s) may not impede traffic through the area or approach students in dining service lines. Individual(s) or group(s) will not be permitted to campaign door-to-door, nor will they be permitted to use the residence hall mailboxes for campaign literature (unless individually addressed). Through registration with the appropriate offices, the sponsoring organization agrees to abide by the established procedures of the building or neighborhood. Members should have a copy of the approval form with them at all times. Organization members not adhering to the guidelines will be asked to leave the area immediately. If a house extends an invitation to a candidate, or any other individual, that person may visit the house to which he or she was invited and no other house.

AA. Smoking

1. Smoking is prohibited on all university grounds and in all university-owned or operated buildings, residence halls and apartments, with the following exception:

In SUV, smoking is allowed in a limited number of SUV apartment buildings. Smoking is permitted inside those apartments in those buildings only.

BB. Sporting Activities

Due to safety and facility concerns, the riding of skateboards, skates, and bicycles is prohibited in the residence halls. Water fights and throwing Frisbees, balls, or other objects is also prohibited in or around the residence halls.

CC. Vandalism and Damages

You will be held responsible for damages to department property that is caused by you or your guest(s). Willful destruction or defacing of university, private, or public property is prohibited. If you are found responsible for damage to property, you may receive judicial sanctions, as well as charges for replacement or repair of the damaged property.

You are also responsible for the upkeep of your living area. A house or hall may be charged a fee for areas kept in poor physical condition and requiring non-routine service from maintenance and custodial staffs. This includes removal of personal trash, vomit, and debris in hallways, dens, and bathrooms, and moving furniture back to its original location.

In the event of damages to any part of your building, including furnishings, the department reserves the right to assess students' accounts for reasonable damages if the responsible person(s) cannot be identified. The department may charge an individual or groups of individuals for their portion of the building charges, with a minimum charge of \$5 per person. The department shall notify residents in writing of its intent to assess a charge.

Residents are encouraged to report vandalism, as well as any information that could help identify the responsible persons.

DD. Weapons

Anyone who uses, threatens to use, or is found in possession of a weapon or potential weapon may be removed from on-campus housing immediately. This removal could be temporary, or may result in a permanent cancellation of your contract, depending on the severity of the situation and the outcome of an administrative investigation and/or judicial hearing.

Weapons include, but are not limited to: pistol, revolver, shotgun, assault rifle, rifle or other firearm, BB or pellet gun (including Airsoft), paintball, tazer or stun-gun, bomb, grenade, mine or other explosive or incendiary device, ammunition, archery equipment, dagger, knife having a blade exceeding five inches in length, stiletto, switchblade knife, or sword.

Residents may possess knives, designed for cooking purposes, which have blades exceeding five inches.

A "weapon" also means an object that is not an instrument capable of inflicting death or injury but closely resembles such an instrument (e.g., a realistic toy, replica, imitation weapon or look-a-like gun that is reasonably capable of being mistaken for a real weapon) or an object used in a manner that created the impression that the object was such an instrument (e.g., wrapping a hand in a towel to create the appearance of a gun).

EE. Windows, Window Screens and Ledges

Screens must be left on windows, and there must be a screen covering all open windows. Windows must be closed when you leave during breaks. You may not lean or reach out of windows where screens are not in place. For safety reasons, you are prohibited from, standing, sitting on, or otherwise utilizing ledges. Windowsills and student room balconies are not to be used for storage. You will be held liable for damages to property or for personal injury resulting from items being thrown from windows or falling from ledges.

You are prohibited from entering or exiting a building through a window.

II. DISCIPLINARY PROCEDURES

As a resident of university housing, you are under the jurisdiction of the department and the guidelines published in the Student Disciplinary Regulations. Sanctions imposed by department of Residence staff, the All-Residence Judiciary, or the Office of Judicial Affairs are binding.

If you are found responsible for violations of the rules and regulations of the department set forth in the *Terms and Conditions* document, this Policy Handbook, or the Student Disciplinary Regulations, you may receive a disciplinary sanction resulting from a judicial hearing, including possible termination of your room and board contract and/or suspension or expulsion from the university.

A. Sanctions

The following sanctions may be imposed in all minor cases.

1. **Warning:** A written notice indicating that a minor violation occurred and a more severe sanction will occur if the behavior does not change.
2. **Disciplinary Reprimand:** A written rebuke telling the student that his/her conduct is in violation of Residence rules and regulations.
3. **Probation:** A more severe sanction than a disciplinary reprimand. Probation is a period of review during which the student or student organization must demonstrate the ability to comply with Residence rules, regulations, and other requirements stipulated for the probation period.
4. **Education:** A requirement to participate in some project, class or other activity that is relevant to the nature of the offense and appropriate for the violation.
5. **Restitution:** A requirement to pay the cost of cleaning, repair and/or replacement of property damage incurred during conduct violation, to another student or Department of Residence.
6. **Deferred Removal:** A more severe sanction than Probation. Deferred removal is a period of review during which the occurrence of another violation will result in cancellation of the student's residence contract.
7. **Termination of Housing Contract:** A student may be removed from a residence hall or apartment. The student's access to specific living or dining areas may be restricted as part of the sanction.

If you receive a disciplinary sanction of removal from on-campus housing, you must leave within the time frame stated in the judicial sanction letter following formal acceptance of that decision by the department. If you appeal the decision, you may be reassigned to another living space on campus, pending the outcome of the appeal. Your original space will not be reassigned until the completion of the appeal process.

Under special circumstances, in order to provide for the safety and well-being of students and/or others, an administrative emergency removal and restriction from university owned **residence hall and on-campus apartment** facilities may be implemented as an interim step before a judicial hearing takes place. This removal will remain in effect until the case has been adjudicated. In a case such as this, referral will be made to the Office of Judicial Affairs. The Office of Judicial Affairs will adjudicate the case in a timely manner. You may contact the Office of Judicial Affairs if you have questions about the process.

If your room and board contract is terminated due to judicial action, your prepayment will be forfeited; you will be charged 80 percent of the remaining value of the room and board contract (less Dining Dollar\$, which cannot be cancelled) and the daily rate until you officially check out. Charges for damages, cleaning, and improper check out may be imposed.
