Statement of Agreement - The **2009-2010 Housing Contract Terms and Conditions** and **ISU Dining Terms and Conditions** are available on the Department of Residence (DOR) Web site at www.housing.iastate.edu. By signing and submitting this contract I am stating that I have read, understood and accept the **Terms and Conditions** and all documents contained therein.

- I understand I am entering into a **LEGALLY BINDING** contract with the DOR, contracting for the entire academic year, both fall and spring semesters. I am aware that fall semester only contracts are not available.
- I understand a \$125.00 prepayment and a \$10.00 non-refundable processing fee (if applicable) will be added to my U-Bill. If I am a new student, my payment of these fees was included in the \$275.00 acceptance fee I paid to the Office of Admission.
- I understand this contract is for a *space* only. Assignments are made on a first-come, first-served basis, comparing my preferences to the space that is available. As such, an assignment within my preferences cannot be guaranteed. Priority is determined using the date that my completed contract is received by the DOR. The DOR reserves the right to make changes in assignments when the university deems it necessary.
- I understand, if I have an issue for which I require special housing accommodations, I must submit a Housing Accommodation Request Form (available online at www.housing.iastate.edu) to the DOR. Additional details, documentation requirements and submission methods are on the form. If I have a documented disability, it is my responsibility to contact the Disability Resources office (515-294-6624) for assistance with accommodations other than housing.
- I am aware all cancellation requests **MUST BE IN WRITING**, e-mail is acceptable, and must include my full name and University ID. **VERBAL CANCELLATIONS ARE NOT ACCEPTED**. I may cancel my contract without penalty until **March 1, 2009 for Continuing Students** or **May 1, 2009 for New Students**. If I have a contract that begins the spring semester, I may cancel my contract, without penalty, by November 1, 2009. As is described in the Terms and Conditions, should I cancel after these dates, I may be responsible for 80% of the value of the Housing and Dining (if applicable) contract plus forfeiture of the prepayment.
- I understand if I am assigned to Buchanan Hall, Richardson Court or Union Drive I am required to contract for a meal plan. I will initially be assigned a Premium Cy Plan. I am aware that I may change to a different plan for which I am eligible using Access Plus so long as I do so prior to the Friday immediately following the first day of class.
- I verify that the information I am providing on this contract is accurate.
- By signing this contract, I authorize the DOR to access my student educational records maintained by Iowa State University for legitimate business purposes associated with my residing in University Housing. I also authorize the DOR to disclose contact information about me to my assigned roommates including my name, e-mail address, and home address.
- I, the undersigned, guarantee payment of all approved rents and fees for the space assigned to me. The Board of Regents, State of Iowa, will approve room and board rates at its **April** meeting. It is my responsibility to view the DOR Web site to review these rates.

SINGLE Student Roommate Preference - If I am assigned to a 2 bedroom apartment, my preference is for a:

PRIVATE Apartment = I **DO NOT WANT** a roommate. I understand I will pay 100% of the rent and utilities as outlined in the Housing Contract Terms and Conditions. If in the future, I wish to change to a Shared Apartment, I will need to find my own roommate before my rent and utility costs will be changed.

SHARED Apartment = I **DO WANT** a roommate. I understand I will pay 50% of the rent and utilities as outlined in the Housing Contract Terms and Conditions. If I have not indicated a roommate on page 3 of this contract, I am aware that the DOR will assign me a roommate. If I refuse to accept the roommate assigned to me, I may be required to pay full rent, retroactive to the start of this contract. If I have requested a **Pet Apartment**, I am aware that the **SHARED** option is only available if I have identified my own roommate.

How Assignments Are Made – Please refer to the DOR Web site, <http://www.housing.iastate.edu/>, for more information regarding this process.

The DOR begins accepting **NEW STUDENT** housing contracts on **July 1** of the prior year (i.e. July 1, 2008 for fall 2009). Your assignment priority is based on the date that your completed contract is received by the DOR. It is **STRONGLY SUGGESTED** that you submit your housing contract on-line using AccessPlus, <https://accessplus.iastate.edu>. Due to the unpredictability of delivery services, the DOR can not accept responsibility for contracts delayed or lost in the mailing process.

Preferences are considered in the following order. Please remember that this contract is for a *space* only, and not for a particular building or assignment type. Specific assignments are made on a first-come, first-served basis, comparing preference requests to the space that is available. As such, an assignment within your preferences cannot be guaranteed. An assignment outside of your preferences is not a valid reason for contract cancellation.

1. **Learning Community (LC)** preferences are considered first. Most LCs have eligibility requirements you **MUST** meet to be considered. If you are not eligible for the LC you have selected or it is full when we make your assignment, we will use your preferences from page 4 to make your assignment. If you have selected an LC and indicated a roommate request, your roommate request can only be considered if space is available.
2. **Roommate Requests** are considered second and the earliest contract date determines priority for the pair / group. Roommate requests must be mutual (you must all have requested each other) and, if requesting upper-division assignments, you must all be eligible for the same type of housing. Roommate requests take priority over Room Preferences. We will use your Room Preferences to guide us in making your assignment, but your assignment may be anywhere your roommate request can be accommodated. If you preferenced a Single Room you will only be considered for a single room if we can't accommodate your roommate request.
3. **Single Room** preferences are considered third. Requests for single rooms take priority over Room Preferences. We will use your Room Preferences to guide us in making your assignment, but your assignment may be to any single room in the Union Drive or Richardson Court neighborhoods. **PLEASE NOTE:** Single Rooms are very limited and not everyone who requests a single room can receive one.
4. **Room Preferences** are considered fourth. Please list all eight (8) preferences. If you list fewer than eight and we can't accommodate you in those preferences, we will have to make our best guess as to your assignment. **PLEASE NOTE:** While it varies from year to year, some of the more popular options, such as Eaton, Friley, Maple and Martin Halls, fill with early contract dates, often as early as two months after we begin accepting contracts. It is recommended that you consider preferencing at least one (1) option outside of these areas.

Learning Communities – optional - For more information on Learning Communities, please see the DOR Web site.

- Select only one (1) Learning Community option for which you are eligible. If the Learning Community you select has more than one location, please rank the locations with 1 being your first choice, 2 being your second choice, etc. Rank only locations for which you are eligible.
- Please be aware that some Learning Communities may be full by the time we receive your paper contract. For the most updated information and the best chance of joining the Learning Community of your choice, we suggest that you submit your Housing Contract on-line.

Freshmen Learning Communities – Unless otherwise specified, all assignments are to standard rooms.
