I. INTRODUCTION

This document establishes the Department of Residence (“DOR”) Housing Contract (“contract”) Terms and Conditions (“terms”) for housing and dining service in the residence halls located in the Union Drive and Richardson Court neighborhoods, Buchanan, Wallace and Wilson halls, Frederiksen Court apartments and Schilleter Village and University Village (SUV) apartments.

This contract is a **legally** binding agreement between Iowa State University (“ISU”) and the contract signatory (“resident”). Along with the terms, all policies and regulations outlined in the ISU Dining Terms and Conditions and Policies, the Residence Halls, Frederiksen Court and SUV Policy Handbooks, the University Policy Manual, on the DOR website (<http://housing.iastate.edu/>) and on the ISU Dining Web site (<http://dining.iastate.edu/>) are hereby incorporated into this contract and are binding on all parties. It is the responsibility of the resident to become familiar with all provisions of this contract.

No verbal statement by any party is considered a waiver of any term or condition, whether expressed or implied, unless made in writing by the Director of Residence.

This contract is for an assigned space and not for a specific building/hall, house or apartment/room number.

 - b. Current ISU Students who do not submit a contract prior to the last Friday of the spring semester, will be required to submit a New Student contract and preferences and will be assigned according to the New Student process.
 - i. In this case, the Current ISU Student cancellation deadline still applies. See section V.B for more details.
2. New Student contracts become available July 1 of the preceding year (i.e. July 1, 2009 for 2010-2011 contracts). To submit a housing contract, New Students must first accept their admission to ISU.
 - a. Assignments are based on preference requests, roommate requests and the availability of housing types. Space limitations may prevent a specific housing and roommate request from being honored. New Students are asked to submit their Learning Community, roommate and room preferences at the time they submit their contract. Preferences can be changed any time prior to the time assignments are made.
 - b. Assignments are made on a first-come, first-served basis with priority being determined by the date that a resident's completed contract is received by the DOR. It is **STRONGLY SUGGESTED** that New Students submit their housing contracts on-line using Access Plus.
3. The University may alter a resident's assignment to comply with the American Disabilities Act (ADA), disciplinary reasons, catastrophe, renovation or closing of facility, consolidation of vacancies, unavailability of space, roommate incompatibility or any change determined by the University to be of benefit to the resident or University.

B. Failure to Accommodate a Roommate

1. Residents assigned to rooms, suites and apartments that are not filled to capacity, and who have not been given permission to have their assignment as a Double as Single, Triple as Double or Private Apartment, are required to keep the vacant space ready for a new roommate at

all times. A clean, clear and equitable amount of space must be available, including bed, closet, desk, and floor space. In locations with bathrooms and/or kitchens, this includes shelves, cupboards, counters and appliances.

- a. Residents who do not maintain the vacant space in their room / suite / apartment clean and available and/or who refuse to accept a new roommate when one is assigned will face the following consequences:
 - i. The vacant spaces will be converted to a Double as Single, Triple as Double or Private Apartment retroactive to the start of the contract or the date the vacancy occurred, whichever came first. The remaining resident(s) will be responsible for paying the additional fees associated with that assignment status. This status will remain effective until such time that the resident finds their own roommate.
 - ii. The DOR, based upon occupancy levels, may opt to terminate the contract of the resident, in which case the resident will be responsible for all applicable penalties according to the date of termination. See section V for more details.

C. Room Use

1. Except as indicated in sections **IV.D and V.H** of this contract, residents are not permitted to sublet their on-campus space or give their assignment to another student.
2. Residents cannot use their rooms for commercial purposes unless they are members of the Entrepreneurship and Innovation Learning Community.
3. Residents are responsible for all of the furnishings and appliances in their rooms/apartments, which must be in place and in their original condition when the resident checks out.
 - a. In rooms where a Double as Single or Triple as Double has been approved, the DOR will not remove or store furniture from the room. It is the resident's responsibility to ensure that all original furniture is in place at the time check-out.

 - c. Only those students who are eligible to live on-campus (section II) are permitted to subcontract. All subcontracts are subject to the approval of the DOR.
 - d. To be valid, all subcontracts must be executed on the DOR's subcontract form, signed by the Contractee, the Subcontractee and the DOR.
 - e. The Contractee remains responsible for payment of rent, physical condition/security of the apartment, charges relating to damage incurred during the subcontract and all other contract Terms and Conditions currently in place. The DOR will look solely to the Contractee for any and all amounts due under the contract. Subcontractee will be held responsible for any damages outside the apartments and all charges, fees, or fines attributable to their conduct.
 - f. Any arrangement, agreement, or understanding as to payment of monies between Contractee and Subcontractee is solely a matter between these two parties. The approval of the DOR should not be construed as a guaranty of payment from the Subcontractee to Contractee.
 - g. The Contractee is responsible for recovering keys, cards and/or other DOR property from the Subcontractee upon termination of the subcontract.

E. Assignment Changes

1. Residents may, without penalty, change their assignment to any available on-campus location for which they are eligible.
 - a. Single student residents wishing to move to a **Residence Hall, Frederiksen Court or University Village Single Student** assignment may use AccessPlus to view available vacancies and select a new assignment.

2. All assignment changes must be completed within 72 hours. Failure to complete the move within 72 hours may result in forfeiture of the new assignment and/or improper check out/in charges.
3. Once a resident has completed an assignment change, he/she is accountable for the meal plan requirements associated with the new assignment.
 - i. If a meal plan is required in the new area, the resident must select a meal plan. If a meal plan is not selected, the resident will be assigned the **Weekly 21** plan.
 - ii. If a meal plan is optional in the new area, the resident may cancel his/her meal plan, even if the Meal Plan Cancel Deadline has already passed (See ISU Dining Terms and Conditions and Policies). **The resident will be required to keep any Dining Dollars that have already been issued.**

F. Liability

1. Although ISU will make reasonable efforts to protect resident property, neither the university nor the DOR is in any way liable for the loss or theft of, or damage to, any property belonging to or for injuries sustained by residents and/or their guests. Residents shall not hold ISU responsible for damage or injury that may be sustained by the resident caused by breakage, leakage, or obstruction of pipes, and from other latent defects not known to ISU. The DOR and ISU recommend that residents obtain rental insurance if they are not covered under parent's homeowner's policy.

The DOR reserves the right to request clarifying information from the physician and to seek guidance and opinion from the Thielen Student Health Center. Upon verification, the resident will be released from the contract. He/she will not be charged the 80% penalty and will be refunded their prepayment (if paid). If the resident does not enroll, penalties will be the same as if the resident had withdrawn (section V.E.1.).

6. Waivers

- a. Residents who must live away from campus and who have an academic year contract may request to have a portion of their contract waived without being charged the 80% penalty and without losing their room assignment priority. To exercise the waiver option, residents must submit a Waiver Form, available at any hall desk, in the DOR Administrative Office and on the DOR Web site. Generally, waivers are only approved for verified medical leave of absence and for the following ISU approved, recognized and for-credit circumstances where location **30 or more miles from campus** prohibits commuting:
 - i. Academic requirement
 - ii. Student teaching
 - iii. Cooperative program
 - iv. Internship
 - v. Study abroad
- b. Residents may retain possession of their assignment while away by paying the associated room rate and fees for the entirety of their absence. Residents who choose not to pay for their room during their absence forfeit that specific assignment and agree to accept any room/apartment available at the time of their return to campus.
- c. Residents who submit a Waiver Form for fall and who then cancel their contract for spring, but who remain enrolled will be charged the 80% penalty and will forfeit the prepayment (if paid). There will be no refund for unused Dining Dollar\$ and un-issued Dining Dollar\$ will be issued and billed at face value.
